NERVOUSNESS IS AWFUL SO IS DEAR LITTLE

Copyright, 1910, by The American-Balentine, Great Britain Rights Reserved.

RESOLVED THAT NERVE SPECIALISTS SHOULD COMMENCE WITH THE DISPOSITION AND CURE THAT FIRST, SHATTERED NERVES ARE NOT NATURAL. RIGHT LIVING, AND RIGHT THINKING NEVER HURT ANYONE'S NERVES. LATE HOURS, BAD TEMPER, OVER EATING AND DRINKING, & WORRY WILL RIP UP YOUR POOR NERVES. GET THIS ONE "JOY AND TEMPERANCE AND REPOSE SLAM THE DOOR ON THE DOCTOR'S NOSE"

DONT THINK THAT A FEW DOSES OF DRUGS WILL CURE THE NERVES YOU HAVE BEEN TEARING DOWN FOR YEARS. UNCLE EFFINGHAM IS A GROUCH AND A HYPOCHONDRIAC. HE THINKS ABOUT HIMSELF TOO MUCH AND HAS THE MONEY TO INDULGE HIMSELF IN IT.
